2024 ADDITIONAL CONTRIBUTION FORM

2024 CAPITAL PROJECTS

Members,

Over the off season we have updated the Pavilion and repaired much of our list from last year. The walls were painted, the floor was scrubbed and resealed, and we have added some ascetic updates. We have found some a new Fridge and Freezer option, but we are still in need of donations to fund it. We are hoping that with only the seasonal use we put them through they can last 20 years. So please help and donate if you can toward the Capital projects fund so we can continue to have our Associations home updated. Thank you.

Water Carnival Trophies.

Each year we have trophies left over from the Awards Ceremony that are not picked up. We would like to get a better idea of who will want the trophies for their efforts and participation in the Water Carnival. So if you plan to participate in the Water Carnival but do not need to receive a trophy, please let us know by checking the box. We will still have the awards ceremony and hope you will attend, but if the interest in having the trophy to remember the epic entry into our long standing tradition has waned, please let us know since the cost of the trophies increases every year and it is a shame to see them sit unclaimed in the Pavilion. Thank you!
